Dear Friend of Coal:

With the fruits of their labors from fundraising events held throughout the year, and the sale of your licensed "Friends of Coal" merchandise, the ladies give children and teens Christmas including toys, games, clothing, coats, gloves and pajamas. Each family also receives food boxes filled with dried goods, hams, drinks and treats to support them during the holiday season. In addition children of deployed military personnel are given food, clothing and toys as well. Toys are also distributed to "Toys for Tots", Raleigh County Headstart and St. Francis Desales Giving Tree Project.

Families from the elementary schools of Mabscott, Fairdale, Ridgeview, Marsh Fork, Beckley and Mullins as well as Liberty High School are given toys, food and clothing. Blankets and food boxes are given to First Baptist Church and homebound elderly. We try to help as many as funds allow.

The need is critical and we need your help. If you would like to help, please mail your donation or credit card information to the address above.

Have a VERY BLESSED CHRISTMAS!

Sincerely,

Regina Fairchild, Chairman
