

## Chuck Mathena Center

The Chuck Mathena Center has been chosen to play host to the three-day 2024 Bluefield Coal Symposium. The social activities and dining, comprising two dinners and a lunch, are being held in the Grand Hall, which is accentuated by a glass wall and high ceilings with four large chandeliers.

Showcasing stunning architecture, the Chuck Mathena Center includes a 940-seat theater equipped with state-of-the-art innovative sound and lighting. The Center is the vision of the Mathena family, who honor the memory of their son by providing a performance arts venue for Southern West Virginia with a one of a kind experience. The Symposium presentations are being held in the theater.

The table top display tables will be allocated on a first come first served basis such that the early applicants will be awarded the most favorable positions. The Table Top Exhibits will be promoted during the entire Symposium to ensure that everyone is aware that they are a most important part of the proceedings.

## Save the Date!

"The 2025 Bluefield Coal & Mining Show takes place at a time when the coal industry is facing considerable hurdles and the Industry must come together to find solutions to overcome these challenges," said Bob Ramsey of Peters Equipment and Coal Show General Chairman.

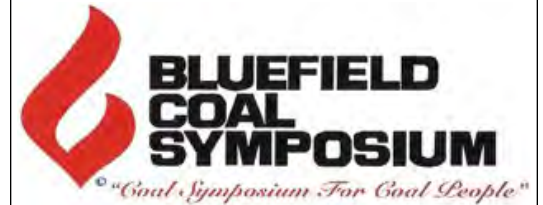

"We anticipate that next year's show will be very well-attended and may be the most important show that we have ever held. Exciting new features are being presented to provide our exhibitors with an excellent return on their investment and to ensure that attendees have a rewarding and fulfilling experience. Please plan to join us," said Ramsey.

**September 10-12, 2025**

## Table Top Exhibits

In conjunction with the Bluefield Coal Symposium being held August 12-14, 2024 at the Chuck Mathena Center, 1298 Stafford Drive, Princeton, WV, the Chamber of Commerce of the Two Virginias is making available a number of Table Top Exhibits.

These tables are 3' x 2' 6" with a 3' wide sign and are large enough to display several standard size pieces of literature. They come with a 3' wide sign displaying your company logo as well as a single chair. The remaining remaining part of your table is the location for a laptop.

## Custom-Designed MINExpo® Brochure

As an included feature of this package at no extra charge, *CoalZoom* will design a digital trifold brochure customized for your company to promote it at MINExpo INTERNATIONAL®. This is suitable for printing and copies can be run off to use as promotional material in the weeks leading up to MINExpo®.

The brochure will include photos of equipment your company will have on display as well as a diagram of the particular Exhibition Hall you are in, showing the exact location of your company at the Convention Center in Las Vegas.

Please supply by July 5, 2024 to [billreidcoal@gmail.com](mailto:billreidcoal@gmail.com) the following:

1. Company logo
2. Photo for front cover (portrait shape)
3. Company description (max 100 words)
4. Product photos (max 4) with short captions
5. List of those manning stand
6. Photos of those manning stand (max 4)
7. Complete company contact information

The brochures will be prepared and a design sent to you for your approval in good time for you to print copies to be displayed at the Bluefield Coal Symposium.
